

Bibliography—Supplement ***Bibliographie—Supplément***

This supplement to the retrospective bibliography which appeared in *Archivaria*, Numbers 1 to 5, deals primarily with literature published from 1975 to 1977 inclusive; a few earlier titles not found in the retrospective bibliography have been included. The selection of these items, all available in the Public Archives of Canada Library, has been done in accordance with the criteria established for the retrospective bibliography. Information concerning format and content was published in the first issue of *Archivaria* (Winter 1975-76): 131-33. The compilers would appreciate having brought to their attention any errors in citation. Titles recommended for future inclusion are also welcomed. We wish to thank the staff of the Public Archives of Canada and the Library for their co-operation in compiling this supplement.

Ce supplément fait suite à la bibliographie rétrospective publiée dans les numéros 1 à 5 de la revue *Archivaria*. Il couvre les années 1975 à 1977 inclusivement; quelques titres antérieurs à 1975 et non compris dans la bibliographie rétrospective sont incorporés. Le choix de ces items, tous disponibles à la bibliothèque des Archives publiques du Canada, a été fait conformément aux critères de sélection établis lors de la compilation de la bibliographie rétrospective. Les lecteurs désireux d'avoir plus d'information quant au style et contenu de ce supplément pourront se référer à *Archivaria* 1 (hiver, 1975-76): 131:33. Les compilateurs apprécieraient que vous les informiez de toute erreur ayant pu se glisser dans les notices bibliographiques ainsi que des titres susceptibles d'être inclus dans le supplément. Nous tenons à remercier le personnel de la bibliothèque ainsi que la direction des Archives publiques du Canada pour leur coopération lors de la compilation de cette bibliographie.
