Notes on Contributors

HARTWELL BOWSFIELD is Archivist of York University and Editor of the Hudson's Bay Records Society.

JOHN CLARKE is an Associate Professor of Geography at Carleton University and working with Research Associate, David Brown, on a study of the role of physical environment, land policy and speculation, and urban development in Essex County, Ontario.

BRIAN HALLETT, until 1980, was responsible for records relating to shipping *inter alia* in the Federal Archives Division, Public Archives of Canada. He now works as an archivist in the Government Cartographical and Architectural Records Section, National Map Collection.

RICHARD KESNER is Director, Archives of Appalachia, and author of several articles on archival projects, including the Society of American Archivists' annotated bibliography *Automation, Machine Readable Records and Archives Administration* (1980). Don Hurst was with the East Tennessee University Library before his move to Head of Systems in the library of the University of Colorado at Boulder.

WILLIAM JAMES is an Associate Professor of Religion at Queen's University and is engaged on a study of the photographer, A.A. Chesterfield.

TOM NESMITH is an archivist in the Social Cultural Archives section of the Manuscripts Division, Public Archives of Canada.

MARY PSUTKA, formerly with the National Photography Collection, Public Archives of Canada, and formerly Archivist of Macmillan Bloedel, was assisted in her preparation of the *Archivaria* index by Peter Greig of the National Library of Canada and Dawn Monroe, Chief of Collections Development, Public Archives Library Division.

JIM TAYLOR is a historian with the National Historic Parks and Sites Branch of the Parks Canada Programme.
