

Subject Headings for the Index to *Archivaria*, Numbers 1 to 54, 1975–2002

Subject headings by *bookmark: editing & indexing*

AACR2. *See Anglo American Cataloguing Rules, 2d ed.*

Aboriginal archives (*institutions)

See also **Aboriginal peoples;**

Aboriginal records

Aboriginal peoples

See also **Aboriginal archives;**

Aboriginal records; *names of specific Native groups*

Aboriginal records

See also **Aboriginal archives;**

Aboriginal peoples

Abortion

Academic archives (*institutions).

See **University and college archives;** *names of specific university and college archives*

Academic freedom

Academic libraries. *See names of specific university and college libraries*

Acadians

Access

(*restrictions placed by the donor or by law on the use of records)

See also **Confidentiality; Law and legislation:** *Access to Infor-*

mation Act (Canada); **Law and legislation:** freedom of information; **Reference**

Access to information legislation.

See **Law and legislation:** freedom of information

Accession (*group of records or archival materials acquired at one time from a single source)

Accountability

Accounting. *See* **Bookkeeping**

Acquired Immune Deficiency Syndrome (AIDS)

Acquisition

(*process of obtaining records for the archives through donations, transfers, loans or purchase) *See also* **Acquisition policy; Acquisitions strategy**

Acquisition policy

See also **Acquisition; Acquisitions strategy**

Acquisitions strategy

See also **Acquisition; Acquisition policy**

Actors

Administration

Admissibility in court

See also **Law and legislation:**
Canada Evidence Act

ADP (automated data processing).

See **Electronic records**

Advertising**African Canadians****Agriculture****AIDS.** *See* **Acquired Immune Deficiency Syndrome****Air defences**

See also **Air force history;**
Royal Canadian Air Force

Air force history

See also **Air defences;** **Royal Canadian Air Force**

Aircraft**Airmen**

See also **Air force history;**
Royal Canadian Air Force

Alphabet**Alternative medicine****Ambrotypes.** *See* **Photographic records****Ancient world****Anglo American Cataloguing**

Rules, 2d ed. (AACR2)

See also **Description;** **Standardization**

Anniversaries**Anthologies****Anthropology****Antiquarian movement****Apartheid****Applied arts****APP2M.** *See* **Archives, Personal**

Papers, and Manuscripts, 2d ed.

Appraisal

See also **Macro-appraisal;**
Macro-appraisal model

Apprentices**Archaeologists****Architects**

See also **Architectural archives;**
Architectural records; **Architecture**

Architectural archives

See also **Architects;** **Architectural records;** **Architecture**

Architectural records

See also **Architects;** **Architectural archives;** **Architecture**

Architecture

See also **Architects;** **Architectural archives;** **Architectural records**

Archival administration. *See* **Administration****Archival assistants.** *See* **Archival technicians****Archival associations.** *See names of specific archival associations***Archival education.** *See* **Archivists, education and training****Archival equipment****Archival institutions** (*place where public records or historic documents are preserved; the agency or institution responsible for care of archival material or building housing archival materials)

See also **Small archives;** **Specialized archives;** *names of specific archival institutions*

Archival literature**Archival material in machine-readable form.** *See* **Electronic records****Archival networks**

Archival profession

See also **Archivists**

Archival science

See also **Archival theory and practice**

Archival studies

See also **Archival theory and practice; Archivists, education and training; Master of Archival Studies**

Archival technicians**Archival theory and practice**

See also **Archival science; Archival studies**

Archival value

Archives. *See* **Archival institutions; names of specific archival institutions**

Archives, Personal Papers, and Manuscripts, 2d ed. (APPM2)

See also **Description; Standardization**

Archives history**Archivists**

See also **Archival profession; Archivists, education and training; Archivists, role of; Records managers; names of specific associations of archivists**

Archivists, education and training

United States (*see under* **United States of America**)

See also **Archivists; Archivists, role of; Master of Archival Studies**

Archivists, role of

Arctic region (*only Canadian north)

Armed forces

Armed forces (*combined armed strength of a nation). *See* **Can-**

dian Armed Forces; armed forces and wars under specific countries

Army history. *See* **Military history**

Arrangement

(process of intellectually and physically organizing records in accordance with archival principles such as provenance and original order)

Art galleries

See also **Museums**

Art history

art law (*see under* **Law and legislation**)

See also **Applied arts; Documentary art; Drawings; Painters; Paintings; Performing arts**

Artifacts

Artists. *See* **Painters**

Arts and Crafts movement**Associations**

See also **names of specific associations**

Atlantic Provinces

See also **names of specific Atlantic provinces**

Atlases

See also **Globes; Maps**

Attorneys general

Audiovisual archives (*institutions). *See* **Broadcast archives; Film archives**

Audiovisual records. *See* **Moving images; Sound recordings**

Auditors general

Aural history. *See* **Oral history; Sound recordings: oral history**

Authentication

See also **Forgery**

Authenticity**Authority control**

See also **Glossaries; Terminology**

Authors

See also names of specific authors

Autobiography. *See* **Biography**

Autographs

Automated data processing. *See*

Electronic records: data processing

Automation

(*to 1990, subsequent entries under electronic records headings)

See also **Computers; Electronic records** (articles after 1990); **Information technology**

Auxiliary sciences

Aviation, commercial

See also **Aircraft**

Awards and prizes

See also **W.K. Lamb Prize**

Banking

See also **Credit unions**

Battles

Bibliography

Biography

Birth control

Bishops. *See* **Clergy**

Black history. *See* **African Canadians**

Book publishers. *See* **Publishers**

Bookbinders

Bookkeeping

Booksellers

Broadcast archives (*institutions: radio and television)

See also **Moving images:** television; **Sound recordings:** radio

Broadcasting (*general: radio and television)

See also **Radio; Television**

Broadsides (*broadsheet: large sheet of paper printed on one side as a newsletter, advertisement, etc.)

Buildings (*general, not architecture)

Bureaucratic records. *See* **Public records**

Business archives (*institutions)

See also **Business history; Business records**

Business history

See also **Business archives; Business records**

Business records

See also **Business archives; Business history**

Cabinet ministers

See also **Ministerial papers; Prime ministers**

Canada (as subject)

See also **Canadian studies;** *names of specific provinces, territories, regions*

Canada (government agencies)

air force (*see* **Royal Canadian Air Force**)

armed forces (*see* **Canadian Armed Forces**)

army (*see* **Canadian Army**)

commissions (*see* **Royal commissions**)

departments (*see* **Canada. name of specific department, e.g., Canada. Labour Canada**)

navy (*see* **Royal Canadian Navy**)
