## Cover Illustration

A grouping of unidentified artifacts on display in the old Public Archives of Canada building on Sussex Street in Ottawa. Except for the clock, their function is not evident, except (seemingly) as a form of iconographic display. NA, Miscellaneous Collection (Acc. No. 1974-1), PA-66643. For more photographs of the interior and exterior of the Sussex Street building, see Jim Burant, "Doughty's Dream: A Visual Reminiscence of the Public Archives."
